2024 Resident Satisfaction FIVE STAR AWARD

Our Vintage Park Communities are proud to receive the Sensight Surveys 2024 Resident Satisfaction Five Star Award! This distinction is earned based on surveys of overall resident satisfaction—indicating that those who call a Vintage Park Community home are happy with our community and the many amazing services, amenities, and vibrant activities available. Thank you, to our residents and family members, for sharing you'd gladly recommend our community as a place to live that's not just like home—it *is* home.
